Amsterdam Law School

Designing the tax system for a cashless, platform-based and technology-driven society

CTP Amsterdam

Mini symposium on international tax policy and graduation lecture on 29 August 2024

LLM

Mini symposium on international tax policy

13:30 Panel I
Pillar two & its interaction with other laws

Chair **Dr Svitlana Buriak**
UvA, Loyens & Loeff

Dr. Svitlana Buriak is an assistant professor at the University of Amsterdam and a tax advisor at the Amsterdam office of Loyens & Loeff.

Keynote Speaker **Prof. Maarten de Wilde**
Erasmus University, Netherlands

Maarten de Wilde is a full professor of International and European Tax Law at Erasmus University Rotterdam. He specialises in international tax law and in European law, with research focusing on the taxation of business income in a globalising and digitalising market environment. Maarten is a Director at PwC Netherlands.

Panel Discussants **Mattia Calabrese**
UvA Tax Alumni, Student A.Y. 2017-2018

Mattia Calabrese graduated from the UvA LL.M. in International Taxation in 2017-18. He worked as a tax advisor at PwC Netherlands for five years before joining PwC Italy. He is an Italian-certified chartered accountant, and his main areas of expertise and activities are Pillar II and Transfer Pricing.

Nupur Gupta
UvA Tax Alumni, Student A.Y. 2021-22

Nupur Gupta graduated from the UvA LL.M. in International Taxation in 2021-22 with a thesis on Pillar II. Shen has then joined Deloitte Netherlands within the Transfer Pricing and Tax Technology Consulting teams. Among other practice areas, she deals with the implications of Pillar II implementation and CbCR safe harbours.

14:20 Coffee Break

14:40 Panel II
Special tax regimes for individuals

Chair **Dr Giorgio Beretta**
UvA

Giorgio Beretta is an assistant professor at the University of Amsterdam (Netherlands). Giorgio is also an editorial board member of the international tax journals "Intertax", "Highlights & Insights on European Taxation", and is an Italian-qualified lawyer. He researched and authored various publications on special tax regimes for individuals.

Keynote Speaker **Tiago Cassiano Neves**
Kore Partners, Portugal

Tiago Cassiano Neves is Kore Partners' founder. He is a leading Portuguese private client lawyer with two decades of experience advising clients on navigating the complexities of private wealth and tax. He graduated in law from Catholic University (Portugal) and received an LL.M. in International Taxation from Leiden University (Netherlands).

Panel Discussants **Ludovico Carpanetto**
UvA Tax Alumni – Student A.Y. 2019-2020

Ludovico Carpanetto graduated from the UvA LL.M. in International Taxation in 2019-20. He is an Italian-qualified tax lawyer at Maisto e Associati (Italy), where he practices personal and estate planning, trust taxation, and HNWIs. He is also an active member of STEP (The Society of Trust and Estate Practitioners).

Fernanda Moura
UvA Tax Alumni – Student A.Y. 2021-22

Fernanda Moura graduated from the UvA LL.M. in International Taxation in 2021-22 after obtaining a law degree from Catholic University (Brasil). Her professional experience relates to tax law, working for various tax law firms, International Bureau of Fiscal Documentation (IBFD), and currently as an in-house tax professional in the Netherlands.
